**Petition:**  
**End The Bush-Era Tax Cuts For Wealthy Americans**

*We, the undersigned, call on Congress and President Obama to allow the Bush-era tax cuts for those of us with taxable incomes over \$235,000 to expire on Dec. 31, 2010. The increased revenue, an estimated \$45 billion, should go toward making long overdue investments in education, health, transportation, infrastructure, and green energy systems.*

This is a list of petition signers who would pay the tax:
